THE CHIMES

PASTOR'S POINT

How good and pleasant it is when God's people live together in unity! Psalm 133:1

Community. It is one of the hallmarks of the Christian life. We are all a part of one body: the body of Christ. As such, we are all connected. Our church family exists to worship God together and work to establish God's Kingdom here on earth. But part of that work is building and nurturing the bond of unity found within the Christian community. We are supposed to encourage one another, and support each other as we go out each day into the mission field. And to be blunt, if you are going to nurture those relationships, you have to give them both time and priority in your life. You also are going to have to give lots of grace (and trust that others will do the same for you!)

How good and pleasant it is when God's people live together in unity! It's not easy. It takes work and intentionality—living and serving Jesus with others gets really complicated as soon as there are more than 1 of us present! But out of many, there is only ONE body.

How good and pleasant it is when God's people live together in unity! As we enter July, we will have just completed an entire Treynor Days weekend devoted to celebrating the Treynor community. I hope you took advantage of all of the offerings the weekend presented, and that you chose to come and worship with the "other church" at the Treynor Days Community service on June 25. Because the body of Christ exists more than just one hour a week on Sundays. Your church family exists to walk this life's journeys with you—every day. And even though we all have different thoughts, priorities, and even values—we are all united in Jesus. Because of the life, death, and resurrection of Christ, we are made to be one. And He who unites us all is greater than anything that could ever try to divide us—even sin and death.

So celebrate the blessings of our Treynor community and church family. Remember that even though we are many, we are one body, united in our need for Jesus. And we are united in that we are all recipients of God's love, grace, and forgiveness. So enjoy this life God has given, and celebrate with your brothers and sisters in Christ. Be intentional, and connect with those around you and with our whole church family. Nurture the relationships entrusted to you, because they are a gift from God. How good and pleasant it is when God's people live together in unity!

In Christ,

Pastor Adam

This past week we provided lunch for the kids on Wednesday with a pasta bar. Kids had the choice of red sauce or alfredo sauce with their pasta. They also had the option of having meatballs with their pasta along with corn, cheese garlic bread, go gurts, and a drink.

PRAYERS FROM HISTORY

Søren Kierkegaard

(1813–1855)

O Lord,

calm the waves of this heart, calm its tempests!

Calm yourself, O my soul,

so that the divine can act in you!

Calm yourself, O my soul,

so that God is able to repose in you,

so that his peace may cover you!

Yes, Father in heaven,

often have I found that the world cannot give me peace,

but make me feel that you are able to give me peace;

let me know the truth of your promise:

that the world may not be able to take away your peace.

Amen.
