Impact offers different options for parents of children seeking before and after school care. The first option is contracting your child to attend each day. A second option is available for those parents who want a part-time option for their child(ren). We have 30 available spots. See the "fee" section of the handbook for information on rates and scheduling. We are expecting contracted and part-time slots to fill quickly, so register early!

Please mark the option you would like:

_____ I want to contract my child for full-time before and after school care. Cost for this service is \$315 per month. See the "fee" section of the handbook for the monthly charge if months have discounted rate.

_____ I want to contract my child for full-time after school care. Cost for this service is \$220 per month. See the "fee" section of the handbook for the monthly charge if months have discounted rate.

_____ I want to contract my child for full-time before school care. Cost for this service is \$95 per month. See the "fee" section of the handbook for the monthly charge if months have discounted rate.

_____ I am interested in part-time after school care for my child and that cost per day for this service is \$17 per day.

_____ I am interested in part-time before school care for my child. Cost for this service is \$7 per day.

If you anticipate using a part-time service regularly, please indicate which day(s) you would anticipate using a part-time after school care service (please circle):
