

Parental Notification Sign-Up / Consent

Impact uses an electronic check-in / check-out application. It will allow you to receive an email and/or text notification when your child arrives to Impact. It will also notify you when your child leaves, as well as who picked your child up (of those individuals who were given permission to do so on your Impact registration form).

If you would like to sign up for this service, please fill out the information below and return to Jordan.

Child(ren) attending Impact:

Yes! I would like to receive (circle one): EMAIL TEXT BOTH

Email(s) you would like notifications to be sent to:

Name Email
